Welcome to James Bond 007 Museum, the only in the world.

The 007 museum was first opened in Nybro, Sweden, 2003 - after the Bondmovie "Die Another Day". Welcome to the world of James Bond!

See the same thermoplastic panels "ice" made by Arla Plast AB’s GRIPHEN™ PETG material which was used in "Die Another Day".

Welcome to James Bond 007 museum in The Kingdom of Glass www.glasriket.se
